

Shin-Etsu Film has not been affected by the 2011 off the Pacific Coast of Tohoku Earthquake and Fukushima nuclear power plant.

We hereby inform you of the current situation of the Shin-Etsu Film's production sites in Takefu of Fukui prefecture, which is 500km (312 miles) away from the disaster area and Fukushima nuclear power plant.

As of April 1, all of operations at Takefu plant are at normal and deliveries are on schedule

Influence of electric power outages

Our Takefu plant is located away from Fukushima nuclear power plant. Hokuriku-Electric Power plant is providing a stable supply of electric power and has not implemented any blackouts. We will send a update if the situation has been changed.
